

Who we are

Jose and Andy have been married for nearly 25 years and have two sons, Jake and Sam.

This is our first Ladies Festival and we decided that we wanted to do something a little different; we know we have many years of Ladies Festivals at London Road ahead of us.

The weekend is an ideal early summer break, with a relaxed Friday start, a Saturday at your leisure, please check out the 'Things to Do in Bournemouth...', but don't tire yourselves out as we have the main event on Saturday evening, the Gala Banquet!

Recover on Sunday morning, enjoying the breakfast again, before taking your leave of Bournemouth and our thanks for your company, over what we hope will be a fabulous weekend with friends old and new.

A Ladies Festival?

It's our chance to say thank you!

As a normal bloke, we don't say thank you enough to our amazingly supportive and extremely tolerant partners - whether it be golf, cars, or Freemasonry, they all require a commitment not just in time, but money too.

So a Ladies Festival is an extra chance for Freemasons to say thank you to our partners for supporting us in our Masonic duties.

The most important part of a Ladies Festival is that you don't have to be a Mason to attend – it's open to all and we encourage you to bring friends and family along – as long as you come to enjoy excellent food, great company and hopefully make new friends.

Normally this is just one evening, and for Enderby Lodge it's in early November at Freemasons Hall, London Road in Leicester.

As it's our turn to host the Enderby Ladies Festival, Jose and I wanted to do something a little different.

We've chosen the Queens Hotel because they have a lot of experience with Ladies Festivals. We looked at a number of hotels and decided, based on the rapport we quickly built up with the team at the Queens, they made us feel the most comfortable.

So please enjoy yourself, we know we will!

We've blocked a number of rooms for the full weekend, so don't miss out!

Why Bournemouth?

Because it's by the Sea!

Bournemouth is about 3 hours from Northamptonshire and offers a wide variety of things to do and see.
